## STATEMENT

By applying for a selected placement based on aptitude in the Performing Arts, children and their parents are making a commitment to the full involvement of that child in the Performing Arts curriculum and extra-curricular programme. Selected pupils will be expected to work hard at all their subjects in the National Curriculum, as well as at all three Performing Arts areas – acting, singing and dance. The school encourages all pupils to achieve their full potential and with those selected, their talents in the Arts will be developed to levels of excellence. This will be in the context of the education of the whole child. A partnership between school and home therefore is essential if a pupil is to succeed to the best of their ability.

Please read the above statement carefully. It is the school's commitment to those selected. In this section we would like you to make a short statement giving reasons for applying for a selected place and what you are hoping to gain from attending a specialist Performing Arts College.
