

# Shenfield Football Academy

“Developing excellence”

What to expect?

# Who is the programme for?

- The Football academy is designed to support highly talented football players who have a desire and drive to succeed and progress in the game. Students who wish to apply should be highly motivated in their academic studies alongside aspirations in football.
- Players may still have an ambition to play professionally, semi-professionally or attend top Universities either here in the UK or in the USA via scholarships.
- Players must be aged between 16-18 and have a vast experience in football as well as excellent academic prowess in order to meet the demands of the sixth form.
